

FUEL SYSTEM MAINTENANCE PRODUCTS

THREE STEP PROFESSIONAL FUEL SYSTEM CLEANER

- Full 3-step professional service designed for use in fast lube, dealerships and service centers
- Efficiently removes deposits from intake valves, injectors and combustion chamber plus cleans throttle body, and restores proper air flow
- Kit contains SP0386 Synthetic Fuel System Cleaner, SP2313 Intake Valve Deposit Cleaner and SP2412 Air-Intake Cleaner
- SP304IV or SP300FI service tool required; may be used with most fuel injection service machines

SP8103

1- 3 Step Kit

TWO STEP PROFESSIONAL FUEL SYSTEM CLEANER

- Professional service designed for use in fast lube, dealerships and service centers
- Efficiently removes deposits from intake valves, injectors and combustion chamber
- Kit contains SP0386 Synthetic Fuel System Cleaner and SP2313 Intake Valve Deposit Cleaner
- SP304IV or SP300FI service tool required; may be used with most fuel injection service machines

SP8102

1- 2 Step Kit

CONCENTRATED TOTAL FUEL SYSTEM & INJECTION SYSTEM CLEANER

- Synthetic formula fuel system cleaner
- Removes gum, carbon and varnish; restores power, performance and fuel economy
- Use in all gasoline engines

SP0386 16 oz. bottle Net cont. 16 fl. oz.

FUEL INJECTOR CLEANER

- Removes gum and varnish buildup to restore lost power
- Suitable for all gasoline, gasohol, and diesel fuels

SP2112 12 oz. bottle Net cont. 12 fl. oz.

FUEL INJECTOR AIR-INTAKE CLEANER

- Removes gum, carbon, dirt and resin deposits that prevent proper air flow
- Features an all angle spray valve for proper application

SP2412 12 oz. can Net wt. 9 oz.

INTAKE VALVE DEPOSIT CLEANER

- Removes deposits on intake valve, port and manifold
- Restores performance and fuel economy

SP2313 16 oz. bottle Net cont. 16 fl. oz.

PROFESSIONAL CARBURETOR CLEANER

- Professional formula quickly removes gum, varnish, carbon and dirt buildup from carburetor, automatic chokes, linkage, fuel injection intake systems, manifold heat controls and PCV smog valve
- Restores performance and fuel economy

SP2114 16 oz. can Net wt. 11 oz.

HEAVY DUTY CARB CLEANER

- Removes gum, varnish and dirt buildup
- Cleans chokes, carburetor linkage, fuel injection intake systems, manifold heat controls and PCV valves

SP2115 16 oz. can Net wt. 11 oz.

FUEL SYSTEM MAINTENANCE PRODUCTS

GAS TREATMENT

- Improves gas mileage and enhances engine performance
- Multi-purpose cleaning additive

SP4380 12 oz. bottle Net cont. 12 fl. oz.

OCTANE TREATMENT

- Increases octane, reduces engine knock, improves combustion
- Protects fuel system from corrosion, prevents freezing, and cleans entire fuel system

SP4340 12 oz. bottle Net cont. 12 fl. oz.

LEAD REPLACEMENT

- Protects valves and engine parts in a lead-free EPA registered formula

SP2512 12 oz. bottle Net cont. 12 fl. oz.

PROFESSIONAL FUEL INJECTION SERVICE TOOL

- Stainless steel canister service tool features an in-line vacuum gauge, flow regulator with sight glass and delivery hose
- For use with SP8102 & SP8103 Fuel System Cleaning Kits, and SP9102 2-Step Fuel Injection and Induction Tune-up Kit

SP300FI 1 Each

INTAKE VALVE CLEANING TOOL

- Economy service tool for fuel injection services features brass flow valve and delivery hose
- For use with SP8102 & SP8103 Fuel System Cleaning Kits

SP304IV 1 Each
